COVID-19: payment of

invoices To ensure we can pay you quickly, please email your invoices . Your payment will be delayed if you send it by post. In this section Supplier guidance: No PO no pay Live tenders How we procure goods and services Contracts above £20,000 and £25,000 How we work with suppliers and organisations, and what we publish We work with a range of suppliers and organisations as part of what we do. When we need new goods or services, we follow our procurement process. This allows us to find the best value for cost-effective and efficient services, in an open and transparent way. We publish information about contracts above £20,000 and £25,000, so you can see how much we're spending and who with.
