

## Quarterly report of donations made to a political party

### Explanatory notes on completing form RP10

Before completing this form, all parties should read our [donations and loans guidance](#) for comprehensive guidance on the donation controls applicable to political parties.

Registered political parties are required to submit donations and loans reports to the Electoral Commission at the end of each calendar quarter.

Under the Political Parties, Elections and Referendums Act 2000 (PPERA), 'benefit' is used to refer to donations and loans over £500 collectively. Parties must aggregate any donations and loans accepted by or entered into with the same source in a calendar year and report any benefits that meet the reporting threshold.

Parties should submit a donations report if during the relevant calendar quarter they have received any of the following:

- any donations (including aggregated benefits) of more than £7,500 accepted by the central party
- any donations (including aggregated benefits) of more than £1,500 accepted by a party's accounting unit
- any donations (including aggregated benefits) of more than £1,500 accepted by a party from a source the central party has already accepted a benefit of more than £7,500 from in the same calendar year
- any impermissible or unidentifiable donations received by any section of a party.

In addition, in Quarter 4, parties are required to include details of any aggregate benefits of more than £7,500 made to different sections of the party (also known as 'section 62(12)' donations and 'section 71M(12) loans'). **These benefits are only required to be reported in the Quarter 4 donations and loans reports.**

Parties which do not have any relevant donations to report should record a nil report using form RP10QN, unless they are exempt from submitting donation reports.

The report must be submitted within 30 days of the end of the calendar quarter (see below).

Each of the following notes corresponds to a numbered section on form RP10.

Please insert the name and reference number of the party. In addition, please indicate the relevant quarter and year to which the report relates, i.e.:

- Quarter 4 (October–December).

## 2 Declaration and signature

This declaration must be amended as appropriate and signed by the person registered as party treasurer.

Important: It is an offence for a treasurer to make a false declaration knowingly or recklessly, or to fail to submit a report within 30 days of the end of the reporting period.
