

## Retrieving a cancelled postal vote that has been returned and gone through the opening process

\* The list of cancelled ballot papers must include the following:

- the name and number of the elector as stated in the register of electors (or, in the case of an elector who has an anonymous entry, only their electoral number)
- the number of the cancelled postal ballot paper
- the number of any replacement postal ballot paper that has been issued to the elector
- where the postal voter is a postal proxy, the name and address of the postal proxy
