### Section 3 – Summary of spending and worksheets

We have provided worksheets for each spending category and for the details of unpaid expenses and disputed claims within the form. Use these worksheets to enter the details of the expenses under the appropriate category. When you have totalled up the amounts under each category please enter it into the summary of spending in section 3.

Other forms you will need

- [Candidate's declaration](#)
- [Agent's declaration](#)

The totals for election spending in table 3a 'Types of payments' and table 3b 'Categories of spending' should be the same.

If your totals are not the same then you have made a mistake in your calculations. You should double-check the information you are providing and your calculations.

**Important**

The categories for spending allocation are:

### **A – Advertising**

This includes advertising of any nature e.g. posters or advertisements in newspapers. It includes agency fees, design costs and any costs associated with preparing, producing and distributing advertising.

### **B – Unsolicited material to electors**

This includes unsolicited material addressed to electors whether addressed, or for delivery, to all electors in the area. It includes design costs and all other costs in connection with preparing, producing and distributing such material. The cost of postage should be included except when it is an election address sent using a post free entitlement.

### **C – Transport**

Transport includes hire costs but excludes the use of personal cars where no charge has been made by the owner.

### **D – Public meetings**

This includes costs in connection with people's attendance at meetings, the hire of premises for the purposes of meetings or the provision of goods, services or facilities at them.

### **E – Agent and other staff costs**

This includes payment for services of an election agent, or anyone else, paid in connection with the candidate's election. This includes staff working on the candidate's campaign who are paid by the candidate's party.

### **F – Accommodation and administration**

This includes the general costs of campaign office rental and utilities.

Each item of spending should be allocated to one category only. Some items will be categorised easily, but others may appear to fit more than one purpose. In these cases you must judge where to put the item.

Generally, items should be placed under the purpose they naturally fall into, e.g. the transport costs of the candidate should

be included under transport even if the transport is in connection with participation at a public meeting.

For every item of spending, please give details of:

- The **item number**. The first payment reported should be '1' and then items should be numbered consecutively. Item numbers need to be unique because they are used to cross-reference with other sections of the form and the supporting invoices/receipts.
- Indicate if an **invoice** or **receipt** has been submitted. Invoices or receipts are required for all items over £20 except notional expenditure.
- The item or service used.
- The **name and address of the supplier** where this is not on an invoice or receipt submitted with the return.
- The **date** the invoice was paid.
- The **value** of the item.
- The **amount paid**, if this is different from the value of the item. Include nil payments where applicable.
- Indicate whether the item is either a **disputed claim** or an **unpaid claim**. You will need to provide additional information on items that are disputed or unpaid.

Please remember to indicate when you are entering a nil payment.

### Unpaid claims

Use the unpaid claims worksheet to tell us more about claims that remain unpaid on the day you submit the form.

Please ensure you use the same item number to cross reference the two entries in the different worksheets. You should include the details of the court to which you have applied, or will apply, to make a late payment.

### Disputed claims

Use the disputed claims worksheet to tell us more about any claims that are disputed.

Please ensure you use the same item number to cross reference this entry with the entry on a spending category worksheet.

## Section 4 – Statement of all personal expenses incurred and worksheet

Please provide details of the reasonable travel and living expenses of the candidate for the purposes of and in relation to the election.

Personal expenses do not count against the candidate's limit so any items reported in this section should **not** be included under Section 3 above.

## Section 5 – Donations and the worksheets for reporting donations

Please record the total amount of money provided by the candidate to meet their election expenses.

You should record the total value of all donations received that were £50 or less in cash value in the box provided. You do not need to tell us any more information about these donations.

### Permissible donations

- the date the trust was created
- the full name of the person who created the trust
- the full name of every other person that transferred property to the trust before 27 July 1999

If a company was the creator of the trust or a donor to the trust you should also provide the company registration number.

### **Impermissible donations**

Use the impermissible donations worksheet to tell us about any donations you have decided not to accept.

For each unidentifiable donation or impermissible donation received by or on behalf of the candidate, please provide the following details:
